

Burley Community Park

You're Invited!

Tuesday, December 6th at 7pm
Burley Elementary School, 1630 W. Barry
Refreshments will be served.

Please join us on Tuesday, December 6th at for a discussion and unveiling of plans for a state-of-the-art Community Park at Burley Elementary School: a multi-purpose green space designed to benefit all ages and areas of the community, including a turf athletic field, running track, new basketball court, playground and greening initiative.

Your project support and enthusiasm will make this dream a reality for students and neighbors to enjoy. The park will be funded by a combination of public funds, grants, corporate gifts and private donations.
