A FEW WORDS FROM OUR PRESIDENT ...

Dear Neighbors,

Summer is here and before we break I want all of you to know I appreciate your support. I am prepared to lead South Lakeview Neighbors in what comes, as we face the ongoing changes of Chicago that affect our community.

For our upcoming 2013-14 agenda, I'm anxious to:

- Increase our membership (new home/business owners, worker, renters and students) via new communication channels.
- Hear from you about areas of concern (rats key priority).
- Discuss our business and residential mix.
- Welcome ideas about bringing neighborhood together (garden walks,

beautification ideas, house tours and block parties).

Thank you Board members, community leaders, home and business owners and all who represent South Lakeview Neighbors. I am proud to lead this organization with a more than 40-year history. Enjoy your summer!

SEE YOU at WILL'S NORTHWOODS on JULY 16

Sincerely,

Perry Castrovillari

AT MAY MEETING

Joni Gatz of SLN organized a presentation of live professional theater companies within the SLN boundaries. In attendance were:

Athenaeum Theatre - Jeff DeLong, Director of Marketing & Development. The oldest continuously operating off-

Loop theatre in Chicago. The historic main stage seats 950 and 3 studio theaters seat 67,75 and 89 people. Home to over 70 different companies and over 600 performances per year.

Theater Wit, 1229 W. Belmont - Jeremy Wechsler, Artistic Director. Home for contemporary playwrites, the theater produces 35 weeks of up close small stage performances.

Stage 773, 1225 W. Belmont - Kristen Larsen, Executive Director. Having 4 performance spaces, the theater averages 30 different performances during a typical month.

These three theaters are part of the Belmont Theater District which is a concentrated area of live theater performances. The three representatives stressed the importance of supporting live theater in our neighborhood. SLN neighbors are fortunate to have these three venues plus others on Southport and Lincoln Ave. all within walking distance. Try to make an effort to attend an event at least on a quarterly basis. The combination of picking which event to attend and mind opening affect of a live play or performance with have a positive effect on yourself.

SWITCH to the EMAIL VERSION NEWSLETTER

Though we have reduced the cost of producing the newsletter by 38% in the last two years by members receiving the email version, SLN still spent over \$3,100 on copying and postage of the hard copy newsletters mailed to members. In addition, there are several hours of folding, labeling and postage stamping in order to mail out the newsletter. The cost of the email version is ZERO. The email version of the newsletter can be printed in the warmth and convenience of your home. If we reduce these costs, we can keep our membership and advertising fees lower.

In addition to reducing SLN expenses, if you are on the email list, you can receive e-mail blasts from our Tech Dept. regarding area meetings, community alerts from the police and other timely information.

Please go to the website at: www.slneighbors.org to sign up for the email version.
